Tom Knight

Paid a visit to New Day on Tuesday April 30th. The children and teachers had a great time interacting with music, songs, and puppets. Thank you to our fundraising proceeds which are used to fund some of these extra activities for the children.

Playground

You may have noticed that we had to take down our beautiful maple tree on the big playground.

I'm looking for some parent volunteers that may have a creative edge and some building skills to build a tree house around the stump feeders. If you or someone you may know would be interested in this project please stop in the office and let me know.

Donations

If anyone would like to donate bird feeds, wind chimes, or flat rocks for the kids to paint or loose parts (tin pie plates, muffin tins, small tin pots etc..) for the playground please drop off your donation to the office.

The playground was designed with a natural play space as our inspiration. Keeping it free from plastic toys and climbers allows us to help children use their imaginations to create play experiences.

Stick, stones, pots, pans, and mud pies are all outdoor experiences, that every child should have access to.

Provider Appreciation week is May 6-10th.

Please let your teachers know how much you appreciate what they do for your children! Outside each classroom you will find a place to put an appreciation note for your child's teacher. Please notice their special necklaces to recognize their years of service.

White under 1 year; Pink 1 to 5 years; Purple 6 to 10 years; Green 11 to 15 years; Orange 21 to 25 years; Blue 26 to 30 years; Red 31 to 37 years.
