Reminder to Infant Room Parents

Just a friendly reminder to please remove your shoes and/or boots before entering the baby rooms so the floors will stay safe and dry.

Food Pantry

Food pantry boxes are out in the hallways. Please help your child bring in a "gift" of food for the holidays. We do not do a gift exchange with the children. You are welcome to buy a classroom gift if you would like. The children love new books and puzzles; however, please don't feel obligated to buy anything.

Cold Weather

As we prepare for the winter months ahead, please remember to send in or leave appropriate winter clothing here for outside play.

From the Director

Although we don't send home every child who has a cold, we would ask that you consider keeping them home if they have a consistent cough and constant runny nose. The cough spreads germs that go airborne in the rooms and the constant runny nose is really difficult to keep up with.

The teachers will be working hard to teach the children about coughing and sneezing into their elbows. Please help us out by teaching this habit at home as well.

Children must wash their hands upon arrival to the center. Please help out the teachers by telling your child to go to the sink and wash their hands before they go off to play. We appreciate your help.

Inclement Weather

With the arrival of the Winter weather, please take a moment to review the Inclement Weather Policy included. Also, this is a good time to make sure that we have your current contact information.

New Day wishes you and your family a safe and healthy Holiday season!

NOVEMBER- SHARING, CARING, and FAMILY!

Mrs. B and Miss Cassie's room invited parents to a breakfast on November 25. They shared fruit salad, muffins, juice and coffee at tables decorated by the children. It was lots of fun having mom and dad eating with us at school! Every child had a parent there!

Miss Spencer and Ms. Lasek's UPK room had parents visit and share stone soup that the children made. Corn muffins and cider complemented the meal. Parents and children worked together to create center pieces and paper bag turkeys. Everyone had a great time!

Ms. Kellee and Ms. Mary's class poked feathers through a colander to make turkey hats in their dress up area!

Mrs. Gardner and Miss Amy's class cooked Cornish game hens, corn-bread, and pumpkin pie for their feast. The children made centerpieces for the tables, napkin ring holders, and paper bag turkeys. They also made their own butter! Their room was filled with parents, grandparents and the children sharing their "Feast"!
