### UPK Parent/Teacher Conferences

Please watch your child's mailbox for an invite to parent/teacher conferences at the end of this month.

There will be a sign-up sheet in your child's room for time slots available. If your child was four before December 1st and has been in the UPK classroom since September, please sign up for a slot that works best for you.

If you are unable to make it on the date and times that we have set aside for conferences, please let us know and we will do our best to make other arrangements to accommodate your schedule.

### Save the Date.....

**Our SPRING FLING is happening on APRIL 25!**

*This is our biggest Fundraiser of the Year!*

### February/April Break

We will be providing school age child care during February and April breaks.

We have lots of fun things planned. If you would like more information, please see Anne.

### Did you know that when children make art-

*They feel confident and powerful because they are creating*

*They are practicing making marks that will help them learn how to write*

*When they move their hands it is preparing them for zipping, buttoning, brushing and more*

*They are learning how to express themselves*

*They form concepts of symmetry, balance, pattern and design*

### Mark Your Calendar

Jan. 16th: Book Orders due

Jan. 19th: No UPK

### Reminders:

Please help your child to wash their hands upon arrival to the center.

**Don't forget** to remove your shoes/boots before entering the infant rooms.

**Don't forget** your pass card!

Keep in mind that it is difficult and distracting for the office staff to answer the buzzer for parents who do not bring their pass card to let themselves in the building. We understand that you occasionally forget your pass card, but if we have to buzz you in more than twice a week, we will issue you a new card and charge your account \$10.00.

Parents– Reminder.... If any of your information has changed– phone numbers, addresses, those authorized to pick up, please be sure to update your information in the office. Thank you ! Please be sure your child has received a flu shot and is up to date with their immunizations. We need to have a copy of the most recent shot record here.
