

Conferences and Progress Reports

Parent/teacher conferences are held once a year for children who are in the four year old classes, usually in January. Other conferences will be scheduled as needed. Parents are encouraged to discuss their child and his/her development at any time with the teachers. Keep in mind that the teachers are usually quite busy with the children. If you have something you don't want to discuss in front of him/her, check with the teacher to see what will be a good time for her.
