

Things from home

It is usually very difficult for children to share things from home. It is much easier to teach a child to take turns with the toys we have here. If you are having a tough time getting out the door in the morning without something from home we suggest a stuffed animal for rest time or favorite book that the teacher could read to everyone. Please do not send your child to the center with food or candy. The children are served breakfast, lunch, and two snacks each day. If you would like to provide a special snack for your child's class, check with the teacher in advance so she can notify the kitchen.
