Drug and Alcohol Release

All of the staff at New Day are mandated reporters of child abuse and neglect. Therefore if a teacher suspects that the pick-up person has been drinking or is under the influence of drugs, we will ask that you call a cab, a friend, or relative to pick-up you and your child. If you insist on taking your child and driving a vehicle, we have no other choice but to contact the local police department. We hope that you will cooperate with us on this matter and that each family will have a safe ride home.
