FARMERS' MARKET!

Please sign the permission slip for the Farmers Market if you are comfortable with your child making the trip. Children over two must wear a mask if they leave our property. Groups usually head out between 9:15 and 9:30.

From the Director,

It's great having all the children back in the building and we are working hard to get a handle on all of our new routines.

We lost several staff during the COVID shutdown, three teachers retired and one is out on maternity leave until September.

The Office of Children and Family Services requires that new hires be cleared from all previous states before they can be left alone with children. Unfortunately that process is taking as long as six months for some of our military wives. They can work with another cleared staff person but they cannot open a room alone or close it down.

We are really struggling between 7:30 and 8:30. If you are working from home or you have any flexibility at all with your hours a later drop off would help us out a lot right now!!!

Any help is greatly appreciated!

Please help the teachers out by asking your child to wash their hands upon arrival to the center each day.

If you do not have a pass card, please request one from the office. If you do have one, please make every effort to remember to bring it with you when dropping off and picking up your children.

Please remember to sign your child in and out every day.

Please be sure to have your child's sunscreen here (with name on it) as well as a hat to keep the hot sun off!

Summer Staff:

We are pleased to welcome back Leisa and Taylor to our Summer School Age Program. Please welcome Sarah, Leisa, and Olivia. We are happy to have them on board. They will be helping us to cover our Summer vacations.

Please be prepared to show your ID to our new staff. If you know of anyone looking for school age childcare, have them give us a call! We have a few spaces left!

Sad Goodbyes:

We lost Breanne from Toddler I and we will be saying goodbye to Ms. Mahoganie this week as well. We have enjoyed having them both at New Day and wish them the best of luck on their next chapters!!
