Meet the New Day Teacher

Madalynn Davis - UPK Assistant Teacher

Hello, my name is Madalynn but some of you know me as Miss Maddy. I was born and raised in Syracuse, NY and I moved to Watertown in March of 2021. In kindergarten you get asked "what do you want to be when you grow up" my response was "a teacher". As I grew up and was asked the same question I always gave the same answer. Well my dream has come true. I earned my associates degree in Early Childhood Education in December of 2021 and I have been working in child care since August 2021. I have loved every minute of it. Before moving to Watertown I was a preschool teacher in Syracuse. The best part of my job is watching the children grow over the school year. Something about myself; I absolutely love cows and sunflowers. I'm so glad to be able to be part of the New Day family.
