Fall Festival

Toddlers on October 22nd

3's and 4's on October 23rd.

We have some fun stuff planned for the children on the playground this year. Art, sensory and all things fall!

Parents

Please don't let children close the classroom doors, because many of them are learning to open the door as well. The rule here is "teacher's and parent's close the doors".

Thank you to the families that purchased from the Charleston Wrap fundraising catalog! We will notify you as soon as the orders arrive.

Help!!

Our playground is now 16 years old and we have parts that are showing their age. Our climber on the big playground has stairs that need to be replaced. If you or anyone you know has some carpenter skills that would enable us to rebuild our tunnel climber stairs, please reach out to Megan at New Day.

We can buy the materials. We just need some skilled free laborers.
