New Day Staff Updates

We would like to welcome two new staff members to New Day. Mary Williams and Julie Pittsley. Welcome to the New Day Family!

Dear Parents,

I am writing to let you know that my last day at New Day Children's Center will be Friday September 10, 2021. I am extremely grateful for the experiences I have had here and I have appreciated your ongoing support, encouragement, patience and understanding, especially this past year.

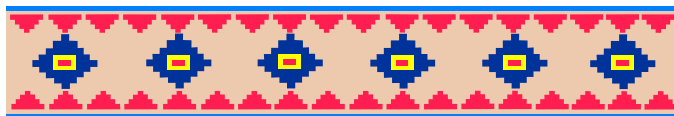

As I look back, I can honestly say that It has been an amazing 36 years! I have been supported by wonderful board members, worked with some amazing teachers, and formed relationships with hundreds of children and their families. My own children are forever better because of the time, teachers, and experiences they had with their New Day family. I will always be grateful for the people I have met along the way, the friendships I have formed and the collaborations I was able to be a part of.

I have no doubts that you will be pleased with Teresa in the Executive Directors position. I have learned so many things from her in the short time we have been together. She is everything I had hoped to find for New Day and more. I am confident she will provide the partnership you are looking for and the support, guidance, and leadership needed to keep New Day the #1 childcare center in Watertown.

Respectfully submitted,

Megan E. Dyer

Executive Director

A Warm Welcome to Our New Assistant Director

Please help us welcome Rebekha Stevens as the new Assistant Director. Rebekha has been with New Day for over 5 years as the Head Teacher in the Infant Room. Bekha is ready to take the next step in her career and will be working towards her Bachelor's Degree. Please feel free to stop by and congratulate her on her new position.

KELLY OATMAN MEMORIAL FUNDRAISING TOURNAMENT

**SAVE THE DATE:
September 18, 2021
Rustic Golf Course**

This year's event will be a combination golf and corn hole event. Play one or both!! Get your corn hole teams together or grab some clubs and join us for a round of golf!! This tournament is in memory of a 4 year old teacher who worked at New Day for 27 years. She passed away from esophageal cancer. Her family has graciously donated all the proceeds from this annual memorial tournament to New Day since 2012.

Many of our big ticket items get purchased with money from our fundraising proceeds. This year iPads for teacher use in the classrooms are being purchased. We will also be having S.T.A.T. install cameras.

Please show your support by participating in this event. Ask friends and family if you know they might enjoy a round of golf or a game of corn hole for a good cause!

Food, prizes, raffles and fun!

This play-scape is in the infant room. Thanks to our wonderful families and friends, the infants are able to learn safe climbing and playing.
